Day 1: Arrival at Maun Airport in beautiful Botswana. After customs, you will be met by a representative of a local charter flight company for your air-transfer to Tsigaro airfield of **Jack's Camp** on the Makgadikgadi Pans in the Botswanan northern Kalahari. Overnight in a traditional and stylish tent with open-air en-suite bucket shower and toilet. This camp may not have electricity, but you will not lack for comforts: tables are decked with damask and bone-handled silver and there are Persian rugs underfoot!

Day 2: Take in the vastness of the Makgadikgadi. Here you might be able to view the brown hyena, one of Africa's rarest endangered carnivores; you can walk through the desert with Bushmen; in the winter, take quad-bike trips on the salt pans, and in summer, view southern Africa's last surviving zebra and wildebeest migration. Accommodation as on the previous day.

Day 3: Spend another day with your hosts and expert guides, who will tell you more about flora, fauna and the archaeology of this stunning area and who will surprise you with small treasures. Accommodation as on the previous day.

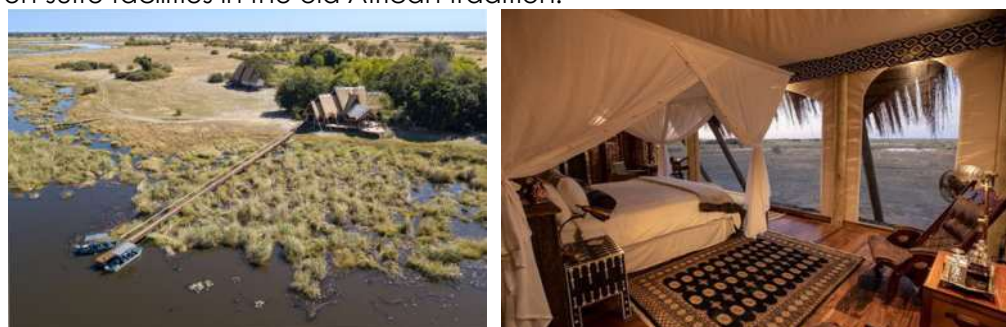

Day 4: Transfer to the airfield and charter flight via Maun to the airfield of Duke's on the northern edge of the Okavango Delta. Transfer to **Duke's Camp**. The contrast between the vastness of the Makgadikgadi and the plethora of the delta could not be greater. Overnight in a luxury tent with en-suite facilities.

Day 5: Take in a game-viewing drive or boat cruise in this lush and unspoilt park, which abounds with wildlife. Accommodation as on the previous day.

Day 6: In the course of the morning, transfer by air from Moremi to the landing strip of **The Selinda Camp**. The camp is located inside the Selinda Reserve along the Selinda Spillway, which links the Okavango Delta with the Linyanti Swamps. This is Big Game Country with outstanding game-viewing opportunities. Overnight under canvas with en-suite facilities in the old African tradition.

Day 7: Your hosts will take you on game-viewing drives in open vehicles or in boats and you can also enjoy short walks. Accommodation as on the previous day.

Day 8: Transfer by charter flight to Kasane in northern Botswana. From here you will be transferred to the **Chobe Chilwero Lodge**, situated close to town overlooking the

Chobe River. Enjoy guided game-viewing drives in the Chobe National Park. Overnight in a luxury suite with en-suite facilities at this lodge.

Day 9: You have the choice of viewing game from an open vehicle or from a boat on the Chobe River. The northern Chobe is famous for its great herds of elephants. Accommodation as on the previous day.

Day 10: Transfer back to the Kasane Airport and fly to the airfield of the **Stanley's Camp**. This hidden camp is situated deep in the southern part of the Okavango Delta. Overnight in a tastefully designed luxury tent with en-suite facilities.

Day 11: Enjoy one of the greatest wildlife-viewing opportunities in Africa from boats or on foot in these open floodplains and swamp. Accommodation as on the previous day.

Day 12: Air transfer back to Maun Airport for your scheduled flight out.
